Index Description

Tactical High Yield Bond (THYB) represents a quantitatively based, absolute return, multi-strategy index. Designed to enhance active premium and dynamic risk protection, this index utilizes multiple uncorrelated tactical strategies to capture tends in HY corporate bonds. The index produces a yield equal to HY corporate bonds while minimizing downside risk. Due to the nature of its construction, THYB produces the highest risk adjust returns of any index we offer on this site. Investment solutions tracking the index will benefit from transparency, high liquidity, low degree of volatility and positive response to rising or falling interest rates.
