Index Description

Short-Term High Yield Bond (SHYB) represents a quantitatively-based, absolute return, multi-strategy index. Designed to enhance active premium and dynamic risk protection, this index utilizes multiple uncorrelated tactical strategies with allocations to high yield assets. Investment solutions tracking the index will benefit from transparency, high liquidity, low degree of volatility, and positive response to rising or falling interest rates.

Important information: Past performance of a ProfitScore index is not an indication of future results. You cannot invest directly in any ProfitScore index. Performance of any ProfitScore index does not represent actual fund or portfolio performance. A fund or portfolio may differ significantly from the securities included in an index. Index performance does not reflect any management fees, transaction costs or other expenses that would be incurred by a portfolio or fund, or brokerage commissions on transactions in fund shares. Such fees, expenses and commissions would reduce returns.
